Who are we? Worldwide Cancer Research is the UK charity that will end cancer by starting cancer cures worldwide.

Sadly, 1 in 2 people in the UK will be diagnosed with cancer in their lifetime. For us, that's 1 in 2 too many.

Being a small charity with currently 40 employees allows us to be open, honest and personal with our supporters. Everyone who works for the charity plays a significant role – without them we wouldn't exist.

Scientists across the world are ready to conquer cancer. To help start more cancer cures and save lives, we are looking for a Brand Officer to join our Brand Team.
