

How to host your sweepstake

Thank you for being a Curestarter

Worldwide Cancer Research funds lifesaving discovery research into any type of cancer, anywhere in the world. Thank you for helping us start new cures, so that one day no life is cut short by cancer.

- ♡ Ask your friends and family to get involved and share a guess about the activity or challenge you are undertaking.
- ♡ Each guess must be different so that you can select a winner at the end. You can ask everyone to make a donation with their guess, either as cash or through your fundraising page if you have one.
- ♡ Use the next page to record everyone's guesses. You can print out multiple sheets if you need to add more.
- ♡ Announce the winner on the date you have stated on your poster and give them their prize. This could be cash or an alternative prize of your choice – just let people know what they could win.
- ♡ Donate the remaining funds to Worldwide Cancer Research via your fundraising page or our website worldwidecancerresearch.org/donate
